STAT

I am responding to your letters dated 21 September and 2 September 1977. We, like yourself, are concerned about the benefits due to our former employees and their relatives. However, a thorough search of the Agency's records reveal that your brother [redacted] was never an employee of this Agency.

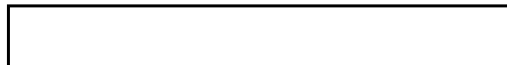

Your letter indicates that you believe that your brother was a member of the United States Army. We therefore suggest that you contact the Veterans Administration regarding your brothers "benefits". You may write to the director at the following address:

Veterans Administration

Sincerely,

(S)
